

# Shafer Scoop

City of Shafer is an Equal Opportunity Provider and Employer

March 2018

## “Congress Comes to You”

U.S. Congressman Rick Nolan and staff will operate several “Congress Comes to You” meetings in March. **Rick Olseen will be at Shafer City Hall between 2:30-3:30 pm on Tuesday, March 6, 2018.** This is an opportunity for you to meet with Rick Olseen and discuss matters of interest and importance to you.

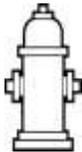

### March can still bring wintry weather!

Reminder that there is no parking on any city street between 2am-6am **and** during a snow fall until they have been plowed curb to curb. The post office will not deliver your mail if they are unable to reach your mailbox. The city plow cannot completely clean out the areas in front of mail boxes so you will need to shovel out the snow in those areas. **Please keep garbage and recycling cans behind the curb.**

**Please keep hydrants and sidewalks clear. REQUIRED BY CITY CODE.**

**If you have a fire hydrant on your property please keep it cleared of snow during the winter in case it is needed for a fire emergency. Also clear your sidewalk. Thank you!**

### **SHAFER CITY ORDINANCE 302.02**

### **SNOW, ICE, DIRT AND RUBBISH (04-2004)**

Subd. 1. Duty of Owners and Occupants. The owner and the occupant of any property adjacent to a public sidewalk or fire hydrant shall use diligence to keep such sidewalk safe for pedestrians and the fire hydrant clear for access by the fire department, regardless of whether the sidewalk or fire hydrant is located in front of a boulevard, directly in front of the property, or within the street right of way. No such owner or occupant shall allow snow, ice, dirt, or rubbish to remain on the sidewalk or around the fire hydrant longer than twenty-four (24) hours after its deposit thereon. The owner or occupant shall clear a two (2) foot radius around the fire hydrant. Failure to comply with this section shall constitute a violation.

Subd. 2. Snow, Ice, Dirt and Rubbish. It shall be unlawful for any person or entity other than a road authority, their agents, employees, contractors and/or utilities in carrying out their duties to place, obstruct or deposit, or to cross or plow across with any snow or ice over or upon any city street, alley, sidewalk or roadway. **(03-2009)**

Subd. 3. Removal by City. The city maintenance person may cause removal from a public sidewalk or a fire hydrant all snow, ice, dirt, and rubbish as soon as possible beginning twenty-four (24) hours after any such matter has been deposited thereon or after the snow has ceased to fall. The maintenance person shall keep a record showing the cost of such removal adjacent to each separate lot and parcel.

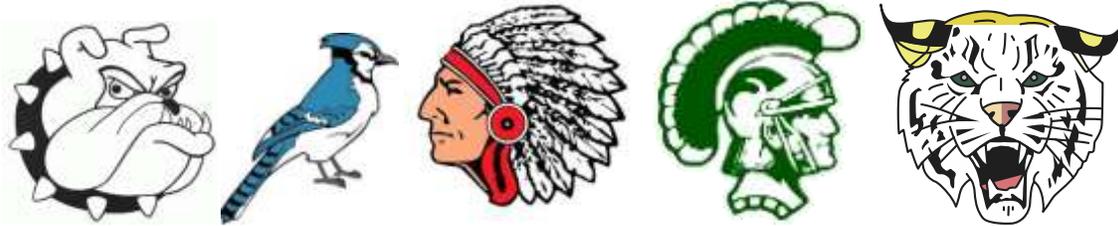

*You can check the city’s website for all city codes: [www.shafermn.com](http://www.shafermn.com)*

# ALUMNI MEMORABILIA WANTED FOR NEW DISPLAY

As part of the new community center being built at the High School we are transferring our alumni memorabilia to the new community area. We will be honoring all of our schools: Bulldogs, Blue Jays, Indians, Trojans and Wildcats. Since we only have a 35 foot showcase to display memorabilia, we plan to add an electronic picture loop as part of the showcase.

We have some pictures but are asking the public to bring in more. We need to reach the citizens in each of our towns and have them bring in old photos. We even want photos of the old feeder country schools. There are two drop off locations: Taylors Falls Elementary and the Chamber in Lindstrom.

Each of these mascots stir different memories for us in Chisago Lakes. WE NEED YOUR HELP TO CAPTURE THOSE SPECIAL MEMORIES.

The new Community Center wants to tell the history of our wonderful schools in photographs, including the ones of early rural schools. So, dig in your storage areas (or grandma's) and pull out the ones that made you proud to be a Bulldog, Blue Jay, Indian, Trojan, or Wildcat. Choose the ones that capture success, fun, history, friendship, or school spirit. Make a copy if you can't part with the original, or we can return it. We'll take as many as you want to share.

Once you have the photos:

- Fill out the required information for each photo
- Put them in an envelope
- Deliver to one of two drop off sites or mail them: Taylors Falls Elementary office; The Chamber in Lindstrom; or send to PO Box 447, Lindstrom, MN 55045
- Tell your friends to do the same

Thank you for working together to make this a great project honoring our school history.
