

ADOPT – A – PARK PROGRAM

The goal of the Adopt-A-Park Program is to provide an opportunity for interested parties to take part in maintaining our park system. By providing this opportunity it not only encourages and promotes community involvement but also allows us to beautify and improve our parks. All Adopt – A – Park projects should aim towards benefiting the majority of park users.

TIME COMMITMENT

1. By adopting a park the volunteer(s) can cleanup as frequently as they choose, but we ask a minimum of a once a month dedication in maintaining the designated park.
2. Each year the adoption commitment period begins January 1 and concludes December 31. However, we will continue to take Adopt – A – Park applications throughout the year.
3. It is each Adopt – A – Park contact person's job to organize monthly cleanups and to inform City Public Works Staff (PW Staff) staff. **City of Shafer 651-257-4726 Public Works Option 2 or City Hall Option 0**
